

AI AGENTS CONFERENCE 2026

The premier virtual event for AI agent technology, bringing together innovators, researchers, and practitioners from around the world.

- **Date:** Apr 26 - 30, 2025
- **Format:** 100% virtual, attend from anywhere
- **Audience:** AI developers, leaders, IT execs, and researchers
- **Reach:** 3k registrations, 50k live viewers, 100k+ lifetime impressions
- **Content:** Keynotes, live demos, virtual panels, and interactive sessions

WHY SPONSOR OR SPEAK?

1. **Global Reach Without Borders:** Showcase your AI tools, platforms, or services to a global audience. Connect with 25,000+ virtual attendees seeking AI solutions.
2. **Brand Credibility in a Hot Market:** Position your brand as a leader in AI - not just talking but doing. Sponsorship places you alongside the top innovators defining autonomous software in the enterprise.
3. **High-Intent Leads Delivered:** All sponsorship packages include lead capture, engagement metrics, and visibility across email, web, and social. Interactive booths and real-time Q&A drive authentic connections.
4. Pre and post conference promotions
5. Distribute virtual goodies and giveaways to attendees
6. Partner logo on the website
7. Sponsor logo on the live streaming

TARGET AUDIENCE

- Enterprise Decision Makers exploring agent adoption
- AI Engineers & Researchers building practical agents
- Product Managers & Architects integrating workflows
- Academics & Students studying multi-agent systems
- Startup Founders & VCs watching the next breakout space
